Lecture For the Opening Night of Our Chautauqua

Photo by Moffett, Chicago.

WILLIAM RAINEY BENNETT.

WILLIAM RAINEY BENNETT, who is to lecture here the opening day of Chautauqua week, is known in the Lyceum and Chautauqua world as "The Man Who Can." He has a lecture on this subject, the theme of which is that "he can who thinks he can," that in every brain there is a sleeping genius and that it can be awakened. The lecture which he gives helps young men and women to find themselves. It gives them health, poise and power. It is absolutely different from the ordinary lecture of this type. Every laugh comes in naturally. Nothing is forced. Other lectures which he gives are entitled "The Master Thought" and "Machines and Millionaires."

William Rainey Bennett was raised on a farm and, like so many successful men of the present day, has many a time warmed his bare feet on frosty mornings where the cows have lain. He worked his way through college. Starting in with \$10, he graduated with money in his pocket, having paid his way by singing. Since then he has done postgraduate work in two universities. His sermon lectures have been published in full as features of some of the metropolitan newspapers.

BIG CEREMONIAL OF SOUTHERN SHRINERS

Atlanta Meeting in June Will Eclipse Any of Kind Ever Attempted.

Atlanta, April 6.—Five thousand Shriners from the Southeastern Atlantic states are coming to Atlanta June 1st for a ceremonial that for magnitude and oriental splendor promises to eclipse any effort heretofore put forth by any other Shriners temple in the south.

Most illustrious Imperial High Priest and Prophet Presland Kendrick of Lulu Temple, Philadelphia, will be the guest of honor. Potentates of sixteen other temples, with their patrols and bands have also been invited.

Potentate Walter P. Andrews and his committee of Yaarab Temple of Atlanta have completed details of an elaborate program, which for big features will mark an epoch in Shrinism in the south.

In the afternoon there will be a grand parade which will require more than an hour to pass in review. Four thousand Shriners will take part. After the big parade, supper will be served in Atlanta's immense auditorium, which is to be the scene of the night's entertainment.

The decorations of the big building the stage settings and the royal throne of the potentate will be elaborate even to the minutest detail.

Several hundred musicians will take part in the grand concert which opens the auditorium program.

A gorgeous and spectacular oriental pageant will precede the divan to their stations, participated in by five hundred nobles in the gaudy costumes of the orient. The visiting potentates and the guest of honor, illustrious Kendrick will next be formally introduced. Thirty minutes will then be given to the visiting patrols for exhibition drills.

At the conclusion of the drills, the united bands of music will play "America" and the visiting potentates will retire to their boxes.

The ceremonial follows and will continue until midnight. Two hundred "sons of the desert" will be forced across the burnings sands.

MOTHER DOG CUDDLES UP HUGE KING SNAKE WITH A LITTER OF BABY PUPS

Atlanta, April 6.—The famous motion picture of a snake crawling around a bird's nest without bothering the tiny baby birds, which are commonly supposed to be the choicest of all food for snakes, is equalled by an Atlanta butcher who raises white pit bull dogs. His registered thoroughbred female has a litter of puppies two weeks old that sleep with a large king snake every night, and the mother dog cuddles up the king snake with apparently as much affection as she bestows on her own offspring.

The butcher keeps the king snake in his market to catch the rats, finding it far better than cats or rat terriers or rat traps, and the snake and the bull dog are the best of friends. When the puppies arrive and the mother dog made a bed for them in the basement of the market, the king found it a most enjoyable place to sleep. The dogs do not object to the snake.

MEAT TICKETS BE GIVEN OUT TO PRUSSIAN

Berlin, April 6.—Meat cards will be introduced in Bavaria and Saxony April 15. They permit the consumption of one-third pound per capita daily except two meatless days each week. Bavaria is forbidden the sale of canned meats, whole hams or whole sausage to individuals to prevent the accumulation of stocks in advance. Individual meat cards will probably not be issued in Berlin. The supply to each retailer will be limited.

PROMINENT JEWELER HAS WON AT LAST

T. E. EPTING SAYS HE SUFFERED KEENLY FOR TWENTY YEARS

HAS LOST FAITH

Spent Great Sum for Medicine, But None Aided Him—Finally Found Relief in Tanlac.

Until Tanlac attained unprecedented popularity immediately following its introduction in the South less than a year ago, the instances of men of prominence in business and social life giving public endorsements to a proprietary medicine were remarkable for their rarity. Thousands throughout this state and the South—many of them people of prominence in public, commercial and social life have given for publication strong endorsements of Tanlac, the faster medicine, which brought them relief they considered truly remarkable.

One of the latest men of high business and social standing, to praise Tanlac for the specific relief it brought him is T. E. Epting, one of the best known jewelers of Columbia, who conducts his business at 1000 Gervais St. His statement endorsing Tanlac is one which should create a profound impression throughout South Carolina.

Mr. Epting has been a resident of Columbia for a goodly number of years, and in the past made his residence in several other cities. For twenty years he has been a sufferer with indigestion and certain accompanying ailments. It is a logical conclusion that Mr. Epting did everything possible to combat his troubles, for he says Tanlac has given him greater relief than any other medicine.

"After I bought my first bottle of Tanlac, I did not take any of it, but placed the bottle on a shelf. The reason I did so was that I had taken so much medicine without securing relief that I had no faith in any. Two weeks later Mrs. Epting said: 'That Tanlac must be doing you a great deal of good. I notice the bottle, though paid for, is yet unopened,'" said Mr. Epting.

Continuing, Mr. Epting, said: "I suffered from indigestion for twenty years. But, after hearing for some time about the great relief Tanlac had brought others I bought a bottle.

"My relief through the use of Tanlac was: It has done me a whole lot of good in many ways. I have taken ten or more bottles, even though I was slow in beginning it, even after I had bought my first bottle.

"I now recommend Tanlac because of the relief it gave me, and it has been of more relief to me than any other medicine I have ever taken. I would not like to be without Tanlac for anything."

Mr. Epting said he had urged a score or more persons to take Tanlac for their troubles.

Commenting on this statement, T. W. Galyon, state agent for Tanlac, said: "Although the list of prominent men who have endorsed Tanlac is a long one, I recall a few leading names that lend both dignity and credit to the entire array. Some of them are: "Ben. F. Newman, Southern Railway freight agent at Columbia; C. W. Mangum, sheriff of Fulton county, Atlanta, Ga.; Judge McKenale, Moss, of the eighth district of Kentucky; Moses R. Glenn, superintendent of printing of the state of Kentucky; Col. John B. Gaines, editor and publisher, Bowling Green, Ky.; C. C. Cooper, president of Georgia Cotton Oil Co.; H. W. Hill, bank president of South Pittsburgh, Tenn.; S. S. Shepard, former city councilman of Atlanta, Ga., and many others whose names have been given to the public." Tanlac, the master medicine, is sold exclusively by Evans' Pharmacy, Two Stores, Anderson.—Adv.

CALOMEL DYNAMITES YOUR LIVER! MAKES YOU SICK AND SALIVATES

"Dodson's Liver Tone" Starts Your Liver Better Than Calomel and You Don't Lose a Day's Work

Liven up your sluggish liver! Feel fine and cheerful; make your work a pleasure; be vigorous and full of ambition. But take no nasty, dangerous calomel because it makes you sick and you may lose a day's work.

Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel crashes into your bile like dynamite, breaking it up. That's when you feel that awful nausea and cramping. Listen to me! If you want to enjoy the nicest, gentlest liver and bowel cleansing you ever experienced just take a spoonful of harmless Dodson's Liver

Tone tonight. Your druggist or dealer sells you a 50 cent bottle of Dodson's Liver Tone under my personal money-back guarantee that each spoonful will clean your sluggish liver better than a dose of nasty calomel and that it won't make you sick.

Dodson's Liver Tone is real liver medicine. You'll know it next morning because you will wake up feeling fine, your liver will be working; headache and dizziness gone; stomach will be sweet and bowels regular.

Dodson's Liver Tone is entirely vegetable, therefore harmless, and can not salivate. Give it to your children. Millions of people are using Dodson's Liver Tone instead of dangerous calomel now. Your druggist will tell you that the sale of Calomel is almost stopped entirely here.
